Name: Sarvesh Jayawant Thakur
Email id: sarvesht102@gmail.com
Website: https://sarvesht102.github.io/
Mobile No.: 8828611236

Software Skills:

- **ArcGIS**
- **QGIS**
- **Google Earth Pro**
- **AutoCAD Map**

Professional experience:

Props{AMC}, Mumbai
Assistant GIS Associate, July 2019- Present

- Data Collection, Cleaning and Analysis of spatial and non-spatial data
- Developing and managing quality control procedures
- LUZ and Revenue Map generation
- Conversion on various types of Tabular, Raster and Vector data
- Web scraping and data extraction
- Map georectification and Geo-referencing
- Offline base map generation
- Performing spatial analyses.
- Managing individual data.
- Providing support for GIS data conversion and cartographic design and high-quality map production.
- Designing and implementing training plans
- Assisting in training various aspects of the GIS software and database creation and use.
- Diagnosing and troubleshooting problems experienced with the use of GIS and related software.
- Research and test new data sources, (GIS) software, and organizational tools.
- Training and daily performance report generation for teams.
- Data synchronization across various database

Urban Expansion Observatory, Panvel
GIS Analyst Intern, 2017

- Implementation and feasibility analysis of WebODM with Pix4D
- Drone Mapping and close-range photogrammetry
- Surface area and volumetric calculations

Additional skills:

- Front-end web development
- Data visualization and Data Science
- Project Management and scheduling

Programming Languages:

- Python
- SQL
- C++

Academic Details:

B.E. Civil from Mumbai University - 2019
MBA IT from Mumbai University – Applied

Additional Education:

Application of RS & GIS for hydrology and water management (CEP) from IIT, Bombay.

Co-Curricular:

B.E. Project:

- **Time Based dynamic signal control system for optimization of traffic congestion using traffic volume survey and GIS**
  Description - The Traffic signal used today are based on even timing for every lane on the basis of number of lanes of the road connecting the intersection, this is very ineffective as the direction of heavy traffic intensity changes from time to time. The concept developed here is for even and smooth flow of traffic by varying signal timing based on intensity of traffic on a particular direction on the basis of traffic volume survey and GIS.

Certificates:

- Spatial Data Science and Applications from Coursera accredited by Yonsei University.
- Overview of RS & GIS Applications for Natural Resource Management held by IIRS(ISRO) at Pillai HOC College of Engineering and Technology, Rasayani.
- Remote Sensing and Digital Image Analysis held by IIRS(ISRO) at Pillai HOC College of Engineering and Technology, Rasayani.
- Hyperspectral Remote Sensing and its Applications held by IIRS(ISRO) at Pillai HOC College of Engineering and Technology, Rasayani.
- Close Range Photogrammetry and terrestrial Laser Scanning held by IIRS(ISRO) at Pillai HOC College of Engineering and Technology, Rasayani.
- Drone Piloting workshop held at Pillai Campus, New Panvel.
- MES Mapathon 2017 held by OpenStreetMap and Missing Maps at Pillai HOC College of Engineering and Technology, Rasayani.
- Short Term Training program on disaster management using GIS, held at Pillai HOC College of Engineering and Technology, Rasayani.
- Symposium on BIM in Academia & Infrastructure held by Bentley Institute.
- CONTEXTCAPTURE workshop held at AAKAAR, IIT Bombay.
- MICROSTATION workshop held at AAKAAR, IIT Bombay.
- One Week Short Course on STAAD.Pro V8i held by Bentley Institute.
- Machine Learning workshop held by Tech-Cryptors in collaboration with IIT Tirupati at Pillai Engineering College, New Panvel.
- STAAD Pro workshop held at AAKAAR, IIT Bombay.
- 3D printing and Laser Cutting Basic workshop held at Pillai HOC College of Engineering and Technology, Rasayani.
- Short Term Course of study in SOLIDWORKS at Indo German Tool room, Mumbai.
- Primavera P6 Fundamentals Rel 8.2 held Oracle's workforce development program at Pillai HOC College of Engineering and Technology, Rasayani.

Hobbies and Interests:

Photography and Computer Maintenance

Personal Details:

Name	: Sarvesh Jayawant Thakur
Gender	: Male
Religion	: Hindu
Languages known	: English, Marathi, Hindi.
Address	: Flat No. 10, 2nd Floor, Sunrise Complex, Near Nadkarni Hospital, Line Ali, Panvel - 410206

Undertaking:

I, hereby declare that all the above details are true to the best of my knowledge.

Sarvesh Jayawant Thakur
